Once Confirmed in detail we will make your product selection to your Precise Width and Height dimensions, so it you're your space perfectly.

Measuring Guide

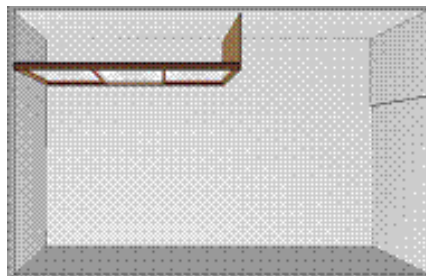

When Ordering a **Complete Wardrobe** what we require is the complete Space that you have wall to wall and floor to Ceiling, we will make the finished Wardrobe a little smaller to allow for fillers, e.g. A wall-to-wall dimension of 2000mm – (2 x 40 fillers = 80) Wardrobe width = 1920mm, The Height we will reduce unit by 40mm e.g. Floor to ceiling of 2450mm – 40mm Wardrobe Height = 2410mm, Please note Fillers and Plinths are provided Wider than required to allow for scribing to the Precise size during installation process.

Different External Jam Formats
